(and it would completely explain why the game keeps looping these questions).Description: Initial D: Street Stage is a Racing game published by SEGA released on February 23, 2006 for the Sony PlayStation Portable. English Manual (File included on the links below) ItéÁÁÁs highly recommended that you read the manual if you want to understand how to play the game. This manual is a compilation of high quality scans i personally put together on a PDF, there was a PDF online that uses photos instead of scans and honestly looked like crap so i made my own i hope you like it. it.
